New to Singing?

There are many men who would love to sing. Most never get around to it, don't have the opportunity or maybe are too self-conscious to give it a go.

The simple fact is that just about everyone can sing. This free course will help you to discover your voice and gain confidence.

Also, there's no need to worry about reading music, the simple teaching methods will help you to learn a song quickly.

Have you sung before?

Maybe it's a few years since you have sung, if so, this course is the perfect way to ease your vocal cords back into action.

If you are a regular singer you may find the course useful to learn different voice parts, in a relaxed and friendly environment.
